

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 8th March

STEM week has been so much fun! We have had; giant marble runs, invasions of stick insects, a wonderful STEMFEST run by Year 5 and enjoyed by the whole school, VR headset experiences and super talks from a pilot and Edsential catering. A big thank you to all who donated for Comic Relief 'Crazy Scientific Hair' day- we raised £155!

Heber Science Fair

We were so proud of the children who took part in the Heber Science Fair on Monday night- the entries were so impressive and really showcased the children's excellent scientific skills. A big thank you to the parents and Mrs Ellam, who supported the children in the preparation of the projects and on the night itself.

Pots of Beauty

Our wonderful gardening team, Jenny and Fiona have been busy working with the Gardening Club planting the most beautiful pots outside the hall. After being donated the pots by Urban Planters, Jenny and Fiona asked for donations to buy plants for each pot and the following amazing organisations were kind enough to help;

- Auto-Tech, Chester
- Sean Martin & brothers- Cross Foxes, Erbistock, (who were grandsons of former caretakers, Sue and John Moore)
- Alison's Country Kitchen, Tattenhall,
- Church Bank Home Care
- Top soil generously donated by Bolesworth Estate

On Thursday night, Fiona and Jenny spoke to the Tattenhall Gardening Club about their work with school and the story of the journey of our Gardening Club was a joy to hear. We are so incredibly lucky to have such passionate supporters of our school- they have worked marvels for our children!

Adopt a tree

As many of you will be aware, we are about to create an outdoor Forest School area, which has kindly been supported by funding from the PTFA. This weekend, a 25m hedgerow and a willow arch will be planted on the perimeter of the area, just behind Nursery. Over Easter, we hope to drain the adjacent land ready to plant an orchard. We are hoping to plant 15 fruit trees in this area in late April.

We would love some families to 'adopt' a tree. Families who decide to do this will be given the opportunity to take part in planting and we will place a tag on each tree to show who planted it (or who it was planted for). The cost of sponsoring a tree will be £30, payable on ParentPay from Monday 18th March.

Help needed!

Geriant, our wonderful caretaker has agreed to plan and build the two outdoor pergolas outside Year 1 and 2. We would also like to install an artificial grassed area and wondered if any parents work for a firm who is experienced in laying artificial grass on a playground surface? If you can help, please could you contact Mrs Bolton

A quick note... as you are probably aware we have had a significant number of children feeling unwell with coughs, temperatures and sickness. We have been advised by Public Health, today, that pupils who experience high temperatures should stay off school for the next 48 hours. This will be recorded on the register as an illness.

Don't forget: Easter Bingo - Thursday 21st March

Tattenhall Park Primary PTFA

Easter Bingo

Bring your family and friends for a fun-filled evening of bingo games and exciting prizes. Don't forget cash for tickets and refreshments.
