

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 28th March, 2025

My goodness, it has been an action packed week again at Tattenhall Park Primary!

VR Experience

Year 3 had a visit from the Sandstone Ridge, who were running a pilot session of their historical VR experience. The children had the opportunity to investigate Beeston and Bolesworth from a birds eye view and spent some time virtually exploring the Sandstone Trail with volunteer historians, Terri and Mark.

Cabbage Planting Project

News reached us this week from Gikoro Primary, our twin primary school in Kisoro, Uganda. Nestling on the edge of the Bwindi Rainforest, this isolated school has very basic facilities. As a consequence of money raised during our Harvest Festival this year, we have sponsored the planting of cabbages, egg plants, guavas and mango plants. The children will cultivate the vegetables during school lessons and will then use the produce to eat. They will also sell produce to fund conservation field trips into the rainforest.

Netball Champions!

Our amazing netball team came joint first out of all the Chester schools in the tournament this week! A big thank you to Mrs Gibson and Mrs Hughes, who have been out in all weathers coaching them to achieve this fabulous end to the season.

PGL Boreatton

Year 4 had a wonderful three days at PGL Boreatton. They zoomed along zip wires, swung in giant swings, fearlessly paddled across lakes in custom made rafts, shot bows and arrows and even made friends with a toad! You can see lots of pictures of their adventures on Instagram. We are very grateful to Mrs Downes, Mr Cragg, Miss Turner and Mrs Harding for arranging the

trip and supporting the children. The children will certainly have some very special memories.

New feathered friends!

There was great excitement, on Thursday, when our new chicks started to hatch in Pre School. The children are busy thinking of names... but they are pretty tricky to tell apart at the moment!

Gardening Wonders

The greenhouse is packed with germinating seedlings planted by Gardenning Club. Thanks to our new storage shed, there is even more space inside the greenhouse to grow and prepare seedlings ready for planting out later in the spring.

Mini Cops and Walk to School Campaign

Mrs Barton has been working with the JRSO's/Mini Cops to keep the roads safe outside our school and to encourage children to walk to school whenever possible. On Wednesday, the JRSO's went out with PCSO Rachel, to check that cars were not parking on the yellow or zigzag lines. They placed one of our special school parking reminders on any cars parked on lines.

The whole school are also taking part in the Living Streets, 'Walk to School' campaign. This is part of our work as an Eco School to improve our carbon footprint.

You can find out more here... [Walk to school](#)

Fantastic news!

As I was just about to finish the newsletter-I had a message from Mrs Ellam. Her new baby girl has arrived! Born on 26th March and weighing 8lb 7.5oz, Mrs Ellam's new daughter, Marlie Lyra Ellam is an absolute beauty. Mrs Ellam is very well and says that her family are all so delighted with their new arrival. We wish them every happiness and look forward to meeting little Marlie very soon.

Dates for Spring Term

- 1st, 2nd/ 3rd April- Parents' Evening
- Year 3 & 4 Easter Service; Tuesday 1st April, 1.30pm & Wednesday 2nd April, 1.30pm
