TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 16th May, 2025

SATs Superstars... We could not be prouder of Year 6 this week- they worked their little socks off in the SATs tests this week and ended the week with a very special celebration with their buddies and lots of exciting treats. A huge thank you to the PTFA for their very smart hoodies- such a special thing to do for them and something they will treasure.

Team Tattenhall have also been fabulous this week! They have been in super early; making breakfast for the children, preparing rooms and equipment, timetabling, supporting the children in tests and keeping their classes super quiet! I can't thank them enough for being the amazing team they are.

A big thank you to Tattenhall Beer Festival for inviting us! Last weekend, some of the staff worked on the bar at the Tattenhall Beer Festival to support the event, as the organisers have very kindly said they will donate some of the proceeds to school. It was brilliantly organised and we are so very grateful to be chosen as one of the beneficiaries. Thank you so much to the staff who attended - many of whom had never worked on a bar before!

Wildery news... Richard, from RAC Gardening, has been back in action taming the Wildery this weekend. We are deliberately allowing the grass to grow long, to allow different species to seed, nature to thrive and for the wild flowers to grow. Richard is cutting pathways through to allow the children to have access to the longer grass areas and we have also started to plan the new 'top secret' area of the Wildery, which we are starting at half term!

Child safety... You will have read in my email earlier this week, that we have had some concerns raised from another school nearby, about a car parking near to their school videoing children. We have made the children aware of this and have also talked to them about speaking to members of the public through the school fence. We have said that they cannot approach the fence to talk during break or lunchtime, even if it is a family member - but we are more than happy for them to give a cheery wave to their parents or members of their family as they walk by.

Have a lovely weekend, Mrs Bolton
