

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 5th September, 2025

Welcome back! What a fabulous first few days we have had in school. The children have settled brilliantly and look so smart - it was a golden moment watching them engage so enthusiastically in the celebration assembly today. We are excited to welcome Miss Worrall to Team Tattenhall, who is teaching Year 3 and Miss Ratcliff and Miss Foulkes, our School Direct Teachers, who will be working with Year 6 and Year 2 respectively this year.

You have probably noticed there have been lots of exciting things happening around school, over the holidays. We have had some alterations inside school and now have a shower/changing room for the children and upgraded toilets for any adult visitors. Our super staff have had a huge tidy through the classrooms, corridors and offices and our wonderful cleaners have left the school sparkling from top to bottom.

We have also had a pergola area built outside in Pre School by DTS Joinery and Mr Williams. They have also cleverly created our amazing new wooden village - which was kindly sponsored by the Tattenhall Beer Festival. Once completed, we will be holding a special opening event one evening after school.

Our superstar gardening team have been tending to the gardens all summer and I couldn't resist sharing this photo of Jenny- who had the most amazing fun, one afternoon, chipping greenery for the compost heap! We are very grateful for all their hard work- the gardens are looking beautiful.

Update on further outside plans... We are hoping the bike track in Pre School and some further playground installations will be created in October half term - plans were somewhat delayed by the weather in the summer.

Bernard Bee

A **big thank you** to everyone who sent in Bernard Bee photographs- we absolutely loved them. I will be putting a giant reel of pictures on Instagram at some point this weekend, for you all to enjoy. Bernard certainly had some amazing travels around the world, he even visited a real bee hive and was pictured with so many different species of plants around the village. We will be exhibiting lots of Bernard's pictures in the Tattenhall Village Show on Sunday afternoon.

Meet the teacher - Thursday 18th September 3.15pm -4.45pm

On Monday 8th September, teachers will upload PowerPoints detailing key information about the year to the school website. If you would like to pop along after school on the evening of the 18th September, there will be refreshments (**and cake**) and an opportunity to chat to all the class teachers informally about any questions you have about the year ahead. This is a drop in session rather than a formal presentation, so please read through the PowerPoint before attending.

Name the village competition!

Can you name our new wooden village? We need an overall name and individual names for each of the five huts - they need to be linked. You might like to use some of your knowledge of our own beautiful village of Tattenhall and the history, flora and fauna within the village to decide on names. We have told the children, that the child with the winning names will win a campfire experience for their class in the huts with Mrs Bolton! Children should draw out their ideas, record an overall name for the village and label each hut and give them to the school office or Mrs Bolton by Friday 12th September.

Finally- What a great start to the year- thank you for all your support preparing the children for the first week back. You should be super proud of them!

Mrs Bolton

Diary Dates

Tough Runner activity day (whole school)- 12th September.
Meet the Teacher - Thursday 18th September 3.15pm – 4.45pm
Languages Day (whole school) -26th September
